

***The Sussex Fish & Game Association
Would Like To Invite You Our
Monthly Meeting On February 9th
at the Golden Jubilee Hall - 7:30 pm
(50 Perry Street)***

***This Month Guest Speakers are
Tim Robinson & Edmund Redfield
of the Fort Folly Habitat Recovery program.***

Fort Folly is a member of the National Recovery Team for the endangered inner Bay of Fundy Atlantic (iBoF) salmon. They have been actively involved in many conservation and recovery efforts benefiting iBoF salmon on multiple south eastern New Brunswick rivers, namely the Big Salmon River, Point Wolfe River and Upper Salmon Rivers since the early 2000's. important salmon producing river. They will give a presentation about what they've learned over the years and how they will be applying certain recovery approaches to the Petitcodiac.
